

Jordan & Jordan.....

..financial industry domain experts

...combining technology & financial services

Our team applies first-hand industry knowledge and experience to meet our clients' business challenges by offering management consulting, market data, technology and program office solutions and services to the financial industry.

Stop by the Jordan & Jordan booth today to learn more about the opportunities we have available.

Prior to his successful business career, our CEO Tom Jordan served as an officer with the U.S. Army Corps of Engineers in the First Cavalry Division and the 1st Infantry Division.

Jordan & Jordan appreciates the solid foundation that the military provides and hopes to help servicemen transition to the financial services industry.
