

Barry Raskin to lead Jordan & Jordan's Management Consulting Practice

New York, NY – January 13, 2016 – Jordan & Jordan, a FinTech company that provides regulatory, market data and trading solutions across the securities industry, has appointed industry veteran Barry Raskin as Managing Director of the Management Consulting practice. Barry's role will include business development, engagement oversight, project staffing and management of subject matter experts. Barry will report directly to the President & CEO, Tom Jordan.

Jordan & Jordan's Management Consulting Practice provides specialized expertise to implement and assess strategic, business and regulatory initiatives including: Strategic Research and Market Opportunity Analysis, Operations and Technology Assessments, Compliance Assessment and Implementation Programs, Risk Management and Monitoring Programs, Project Management, Data Management, and Vendor Selection and Technology Solutions.

Tom Jordan, President and CEO of Jordan & Jordan, said, "We are so pleased to have Barry as a key member of our Executive team. His broad background and industry reputation will bring significant value to our sell-side, buy-side, exchange and vendor clients."

Prior to joining Jordan & Jordan, Barry was CEO of GBST for North America, responsible for growing their securities software processing business in the Americas. Previously, he was the President/ Managing Director of SIX Financial Information USA Inc. (formerly Telekurs USA) with full responsibility for all aspects of their operation. Barry joined Telekurs in 1987 and became a founding member of the North American subsidiary of the Swiss bank-owned financial information company. Barry has a B.S. Degree from Cornell University and an MBA in Finance from the State University of New York at Buffalo.

About Jordan & Jordan

Jordan & Jordan (www.jandj.com) is a Financial Technology (FinTech) company with domain expertise in information, processes and technologies applied to the securities industry. Keeping pace with market practice and regulatory change, we provide business, technical and compliance solutions to meet the challenges faced by our customers in an increasingly competitive market. We leverage our knowledge of the financial markets across three practices: Management Consulting and Regulatory Compliance, Market Data Services, and Industry Solutions (Financial Information Forum (FIF), FIX Trading Community and RIXML). Jordan & Jordan has offices in New York, Chicago, and London.
